WHAT IS FUTSAL?

Futsal is the official indoor soccer game recognized by IFA and FIFA, the two most prestigious sports organizations in the world. The smaller indoor field size ensures an exciting, fast pace with a more intense opportunity for goal scoring.

Prepared to bring home the Gold Medal, Spain 2022.
Our Team U.S. Futsal beat out all but two in the last
Championship in China 2019, bringing home
the coveted Bronze Medal.

Technical team success includes 6 national titles and lifelong
soccer playing experience with over 30 years of experience
